12"	323.85	304.79	338.0	9.53	28.0	1.35	FR.BS40.1200

The above table shows the full range of BS Sch.40 ferrules as given in the exacting standard. Advanced Couplings can offer non-standard BS Sch.40 ferrule adaptations in varying lengths and internal surface finishes to suit individual customer requirements. Please contact our sales department if the ferrule you require cannot be found in our brochure.
